

Author Agreement for *Empirical Musicology Review*

This Author Agreement for *Empirical Musicology Review* ("Agreement") is entered into by and between The Ohio State University, on behalf of its University Libraries ("Publisher") and
Nathaniel Condit-Schultz ("Author").

For good and valuable consideration, Publisher and Author agree as follows:

1. Author hereby grants to Publisher the right to publish, reproduce, distribute, translate, transmit and display his/ her work entitled "Expanding and Contracting Operational Definitions of Syncopation: Commentary on Temperley 2019" and an abstract thereof ("Work") in *Empirical Musicology Review* in whole or in part and in all formats and all media. Author also hereby grants to Publisher the right for Publisher to enter into agreements with third parties that grant such third parties any or all of the rights that Author has granted to Publisher herein. The aforementioned rights may include the rights necessary to index and abstract the Work. The Author agrees that any subsequent publication of the Work will credit *Empirical Musicology Review* as the site of first publication and provide a link to the *Empirical Musicology Review* website. This Agreement is subject to the terms and expectations outlined on the Publisher's website (<http://go.osu.edu/publishing-services>).

2. Author represents and warrants that: (1) they are the creator and rights holder of the Work; (2) Publisher's exercise of the rights granted to Publisher herein will not infringe or violate any copyright or any other right of a third party; (3) if the Work contains any third party content, they have obtained the unrestricted permission of the copyright owner or that use of third party material is allowed because the material is in the public domain or an appropriate fair use analysis has been performed and there is a reasonable belief that use is permitted and (4) the Work contains nothing libelous or otherwise unlawful. Author hereby agrees to indemnify and hold harmless Publisher and its trustees, officers, employees, agents, and subgrantees from all claims related to Publisher's exercise of the rights granted to Publisher herein or related to the subject matter covered in Author's representations and warranties.

Empirical Musicology Review is published under a Creative Commons Attribution-NonCommercial license, to allow for certain types of reuse without permission. By submitting this agreement, the Author agrees to apply a CC BY-NC license to the Work upon publication.
